Show Synopsis: *Putting It Together* is a musical revue showcasing the songs of Stephen Sondheim (*Sweeney Todd*, *Follies*, *A Funny Thing Happened...*). Drawing its title from a song in *Sunday in the Park with George*, it celebrates Sondheim's incomparable career in musical theatre.

Featuring nearly thirty Sondheim tunes, *Putting It Together* is performed by only five people who are thrown together at a party in a Manhattan penthouse. With a bit of imagination, the guests transform the apartment into the stage of an abandoned theatre, an estate in Sweden, an island outside of Paris, a street off the Roman Forum, the woods of a fairy tale and a mythical town in the Southwest.

This tribute in the form of a revue provides a wonderful opportunity for simple sets and costumes. Sondheim's music will allow performers to showcase their vocal and acting abilities.
